# Meet the Lions

IF you want to get up close to your favourite Brisbane Lions player, make a beeline for the Hyperdome next Thursday.

Ten Lions players will take a break from their training schedule to host a series of games, activities and giveaways.

Starting at 6pm, the event will feature the Vodafone handball target competition and trivia quizzes about the Lions and Hyperdome.

All in attendance will go in

the draw to win a match jersey worn and signed by Lions players, and be in the running for a range of giveaways.

The event will be hosted by television personality Mike Goldman, and Gold Coast musician Bill Palmer will perform some of the tracks off his new CD.

Visitors also have the chance to receive one of 100 Hyperdome showbags.

The event will be held on the Hyperdome Piazza stage.
